What a disappointment you have become, so many nosey people, and you have been out of the public eye....You have done nothing wrong....You're Mum is spoiling you with stews and dumplings...Good Old mum

This is the Last Reading I am to do, for ever...

Just for you...Place your hand on your heart, and listen to it.....? Play mate coming, but you have to give up all you worthily possessions, you're music....Sorry love, but this person is everything you could want...You would give up everything And the

Relationship will last forever....Good bye love,
I'm going far away, and I ant coming back.....

You have done your washing, and you have
had you're day....This person is worth it. Too
good a catch to let go.....

You will meet this person, in a gay
club...Fishing around, there is no one, then on
stage....Fuck who is that....?

The room is full of people, but it is just you
and this person....You would give your
diamond rings for this person.....A performer,
on stage, may be in high red hills....what a
looker..? ...The time flies and you don't want
to go home This person will drive you crazy
with love and lust...you will meet, but will not
go home together, not until the ring is on
the finger...and a promise is made.....
